Dear [Name of Spouse 1] and [Name of Spouse 2],

Congratulations on your recent marriage! We are thrilled for you both as you begin this exciting new chapter of your lives together.

As you merge your lives and plan for your future, it is an ideal time to review your financial security. One of the most important ways to protect your partner is by ensuring you have a solid life insurance plan in place.

Life insurance provides peace of mind, knowing that your shared dreams-such as buying a home, starting a family, or traveling the world-are protected regardless of what the future holds. Many couples find that a joint policy or individual complementary plans offer the best value and coverage during this stage of life.

We would love to help you explore options that fit your new budget and lifestyle. Please contact us at [Phone Number] or [Email Address] to schedule a brief consultation.

Wishing you a lifetime of happiness and prosperity.

Sincerely,
