Dear [Client Name],

Happy Anniversary! It has been exactly one year since we began working together, and I wanted to take a moment to celebrate the milestones we have achieved.

Looking back at this past year, we have successfully:

- [Achievement/Milestone 1]
- [Achievement/Milestone 2]
- [Achievement/Milestone 3]

Your trust in [Company Name] means the world to us. Much of our growth over the last year has come from working with high-quality clients just like you. As we enter our second year together, we are looking to help more people achieve similar results.

If you have a friend, colleague, or family member who could benefit from our services, we would love the opportunity to assist them. As a token of our appreciation, for every referral that signs up, we will provide you with [Insert Incentive, e.g., a $50 gift card / a 10% discount on your next invoice].

Thank you for a wonderful year. I look forward to many more to come.

Best regards,
