RE: NOTICE OF COPYRIGHT INFRINGEMENT - [Project Name/Address]

Dear [Recipient Name],

I am writing to notify you that it has come to my attention that you are using architectural designs, drawings, or plans that are the exclusive intellectual property of [Your Name/Firm Name]. Specifically, the designs located at [Location of Infringement, e.g., Website URL or Construction Site Address] are unauthorized reproductions of my original work titled "[Original Work Title]," which was created on [Date].

Under the Architectural Works Copyright Protection Act, architectural designs are protected by federal law. This protection includes the overall form as well as the arrangement and composition of spaces and elements in the design. Your unauthorized use, reproduction, or distribution of these plans constitutes a direct violation of my copyright.

I hereby demand that you immediately:

- Cease all use of the copyrighted architectural designs;
- Halt any ongoing construction based on these unauthorized plans;
- Remove all digital and physical copies of the designs from your possession and public platforms;
- Provide written confirmation that you have complied with these demands by [Deadline Date].

I would prefer to resolve this matter amicably; however, I am prepared to pursue all legal remedies available, including seeking an injunction to stop construction and claiming statutory damages and legal fees.

Please contact me immediately to discuss how you intend to rectify this situation.

Sincerely,

[Your Signature]
