Address: [Client Address]

Law Firm: [Law Firm Name]

Matter: [Name of Class Action Case/Investigation]

---

1. SCOPE OF REPRESENTATION

The Client hereby retains [Law Firm Name] (the "Firm") to act as legal counsel in connection with a potential class action lawsuit against [Defendant Name] regarding [Brief Description of Legal Issue/Claim]. The Firm will investigate, file, and litigate the claims on behalf of the Client and a proposed class of similarly situated individuals.

2. LEAD PLAINTIFF RESPONSIBILITIES

The Client understands they are seeking to serve as a Representative Plaintiff. Responsibilities include:

- Providing honest testimony and documentation.
- Participating in discovery and depositions if required.
- Reviewing significant case developments.
- Acting in the best interests of the entire Class.

3. LEGAL FEES (CONTINGENCY FEE)

The Client will not be responsible for paying hourly legal fees. Compensation for the Firm's services is contingent upon a successful recovery. The Firm will request that the Court award attorney fees, typically calculated as [Percentage, e.g., 25% to 33%] of the total settlement or judgment fund, or as determined by the "lodestar" method.

4. LITIGATION COSTS

The Firm will advance all litigation costs (filing fees, expert witnesses, travel, etc.). If there is no recovery, the Client shall not be obligated to reimburse the Firm for these costs. If a recovery is obtained, costs will be deducted from the total settlement amount prior to distribution.

5. SETTLEMENT AUTHORITY

Any settlement of the class claims requires approval by a Court of competent jurisdiction. The Firm will notify the Client of any settlement offers and seek the Client's input before submitting a settlement to the Court for approval.

6. SERVICE AWARD

The Firm may petition the Court for a "Service Award" or "Incentive Award" for the Client, in recognition of the time and effort expended in representing the Class. The granting and amount of this award are at the sole discretion of the Court.

7. TERMINATION

The Client may terminate this agreement at any time upon written notice. The Firm may withdraw from representation if it determines the claims lack merit, if a conflict of interest arises, or if the Client fails to cooperate.

8. ENTIRE AGREEMENT

This document constitutes the entire agreement between the Client and the Firm. No changes are valid unless made in writing and signed by both parties.
