Re: NOTICE TO CEASE AND DESIST - Trademark Infringement and Cybersquatting

Dear [Name of Registrant],

It has come to our attention that you have registered and are using the domain name **[Insert Infringing Domain Name]** (the "Domain").

My company, [Your Company Name], is the owner of the trademark **[Insert Trademark Name]**, registered with the [Insert Trademark Office Name, e.g., USPTO] under Registration Number [Insert Registration Number]. We have used this mark in commerce since [Insert Date] in connection with [Describe Goods/Services].

Your registration and use of the Domain constitute trademark infringement, dilution, and "cybersquatting" under the Anticybersquatting Consumer Protection Act (ACPA) and the Uniform Domain-Name Dispute-Resolution Policy (UDRP). The Domain is confusingly similar to our protected mark and was registered with a bad faith intent to profit from our established reputation.

We hereby demand that you immediately:

1. Cease all use of the Domain and any other marks confusingly similar to [Insert Trademark Name].
2. Transfer the registration of the Domain to [Your Company Name] at no cost other than out-of-pocket transfer fees.
3. Confirm in writing within [Insert Number, e.g., 7] business days that you will comply with these demands.

If you fail to comply with these demands by [Insert Deadline Date], we will be forced to take further legal action. This may include filing a UDRP complaint or a lawsuit in federal court to seek the cancellation or transfer of the Domain, as well as statutory damages, legal fees, and costs.

This letter is sent without prejudice to our rights and remedies, all of which are expressly reserved.

Sincerely,

[Your Signature]
