Subject: Statement of Intent for Property Upsizing - Multigenerational Living

To Whom It May Concern,

I am writing this letter to explain the purpose behind my search for a new, larger primary residence. My current home at [Current Address] no longer meets the functional requirements of my household due to a transition into multigenerational living.

We are currently upsizing to accommodate [Number] generations under one roof, including [list family members, e.g., aging parents, adult children, or extended family]. Our goal is to secure a property that provides:

- Additional bedrooms and bathrooms for increased occupancy.
- Separate living quarters or an "in-law suite" for privacy and accessibility.
- Larger communal areas to support a household of this size.

This move is a long-term commitment to ensure the well-being and care of my family members. I intend to occupy the new property as my primary residence immediately upon closing.

Please let me know if you require any further documentation regarding my household status or financial eligibility for this transition.

Sincerely,

[Your Signature]
