Dear [Homeowner Name],

Congratulations on your upcoming corporate relocation! We understand that moving for a new career opportunity is an exciting time, but we also know that managing the sale of your current home can be a major source of stress.

Because you are working on a professional timeline, you may not have months to wait for a traditional buyer, bank appraisals, or lengthy inspection repairs. Our company specializes in helping transferring executives by providing a streamlined home-selling process.

How we can help your transition:

- **Speed:** We can provide a fair cash offer within 24 hours.
- **No Repairs:** We buy homes in "as-is" condition. You don't need to paint or fix a thing.
- **Flexible Closing:** We coordinate the closing date to match your relocation schedule.
- **No Commissions:** Since we are direct buyers, you save on agent fees and closing costs.

Our goal is to allow you to focus on your new role while we handle the burden of your property. There is no obligation, and our consultations are completely confidential.

If you would like a no-hassle offer on your home, please call me directly at [Your Phone Number] or visit our website at [Website URL].

Best regards,
