Dear [Owner Name],

As the summer season reaches its peak, interest in coastal properties in [Neighborhood/Area Name] has never been higher. I am currently working with several qualified buyers who are specifically looking for a home in your immediate area to enjoy before the season ends.

Inventory levels remain low, and demand for coastal living continues to drive property values to record highs. Because of your home's location and features, I believe it would attract significant attention in today's competitive market.

If you have considered selling, or if you are simply curious about the current market value of your property during this peak demand period, I would welcome the opportunity to speak with you.

I can provide you with a complimentary market analysis and discuss how we can leverage this seasonal surge to achieve the best possible price for your home.

Please feel free to call or text me at [Phone Number] or email me at [Email Address].

Best regards,
