**RE: CEASE AND DESIST - UNAUTHORIZED USE OF VOICE AND VOCAL CHARACTERISTICS**

To [Name of Recipient],

This letter is formal notice regarding the unauthorized use of the voice, vocal likeness, and unique vocal characteristics of [Name of Artist/Individual] (the "Artist").

It has come to our attention that [Name of Entity] is currently using, distributing, or promoting a vocal recording or synthetic vocal recreation (AI-generated) that misappropriates the Artist's distinct voice in connection with [Title of Project/Song/Advertisement/Product].

The Artist has not granted permission, license, or consent for the use of their voice in this manner. Under applicable laws regarding the Right of Publicity and unfair competition, an individual's voice is a protected attribute of their identity. The unauthorized commercial use of a "sound-alike" or a voice model trained on the Artist's proprietary recordings constitutes a violation of these rights.

**Accordingly, we demand that you immediately:**

- Cease all use, broadcasting, and distribution of any materials containing the misappropriated voice.
- Remove the content from all digital platforms, social media, and websites under your control.
- Delete all voice models, datasets, or AI training weights derived from the Artist's vocal performances.
- Provide written confirmation that these actions have been completed no later than [Insert Date].

This letter is sent without prejudice to the Artist's rights to seek damages, including but not limited to lost licensing fees, profits derived from the misappropriation, and legal costs.

We expect your immediate cooperation to resolve this matter without the need for formal legal proceedings.

Sincerely,

[Signature]
