

Subject: Big news! We just closed on our new home!

Hi [Friend's Name],

I hope you're doing well!

I wanted to share some exciting news with you-we officially closed on our new home today! It has been quite a journey, but we are so happy to finally have the keys in hand.

Our new address is:

[New Home Address]

[City, State, Zip Code]

We are still surrounded by boxes and getting settled in, but once we have unpacked and found the coffee maker, we would love to have you over to see the place.

Also, we had a great experience with our [Real Estate Agent/Lender], [Name], who helped make this happen. If you or anyone you know is looking to buy or sell, let me know and I'd be happy to pass along their contact information.

Talk soon,
