

Dear [Client Name],

Happy Home Anniversary!

I can't believe it has already been one year since you closed on your very first home at [Property Address]. It seems like just yesterday we were handing you the keys and celebrating that huge milestone.

I hope this past year has been filled with wonderful memories, from your first home-cooked meals to making the space truly your own. Owning your first home is such a significant achievement, and I am still so honored that I was able to help you through that journey.

How are things going with the house? If you have any questions about the local market value, need recommendations for contractors for home improvements, or just want to catch up, please don't hesitate to reach out.

Wishing you many more happy years in your home!

Best regards,
