Dear [Client Name],

I hope you are doing well and that you have fully settled into your new home at [Property Address]. It is hard to believe that ninety days have already passed since your closing date!

I am checking in to see how everything is going. Now that you have had a few months to experience the neighborhood and the house, I hope it is everything you envisioned it would be. If you have any remaining questions regarding your home or if you need recommendations for local contractors, landscapers, or other service providers, please do not hesitate to reach out.

My goal is to be your lifelong real estate resource, not just your agent for a single transaction. If your friends, family, or colleagues are looking to buy or sell a home in the near future, I would be honored if you shared my contact information with them.

Thank you again for choosing me to represent you. I wish you many happy years in your new home.

Best regards,
