Dear [Client Name],

Happy three-month anniversary in your new home! I wanted to check in and see how you are settling into [Property Address].

By now, you have likely finished unpacking and are starting to make the space your own. I hope you are enjoying the neighborhood and everything your new community has to offer.

As your real estate professional, my service does not end at the closing table. If you have any questions about your home, need recommendations for local contractors (plumbers, electricians, or landscapers), or need information regarding the current local market, please feel free to reach out.

If you have been happy with my services, the highest compliment I can receive is a referral to your friends, family, or colleagues who may be looking to buy or sell. I would be honored to provide them with the same level of care I gave you.

I wish you many more happy months and years in your home.

Best regards,
