

Dear [Recipient Name],

Happy Birthday!

As you celebrate another wonderful year, I wanted to reach out and send my best wishes. I know that finding the perfect place to call home is one of your big goals for this coming year, and I am so excited to help you turn that dream into a reality.

May this year bring you closer to the doorstep of your new home. Whether you are looking for a cozy starter house or your forever dream home, I hope the journey ahead is filled with excitement and success.

Enjoy your special day to the fullest. When you are ready to start touring houses or have any questions about the market, I am just a phone call away.

Best regards,
