

Subject: Checking in on your home search

Dear [Client Name],

I hope you are having a great week.

I am reaching out to check in on your search for a new home. Since we last spoke, I have been keeping an eye on new listings that match your criteria, and I wanted to see if your needs or preferences have changed at all.

Are there any specific properties you have seen online that caught your eye? If you would like to schedule a viewing for any current listings or if you would like me to adjust the search filters I have set up for you, please let me know.

I am here to help make the process as smooth as possible. I look forward to hearing from you soon.

Best regards,

[Your Name]
