Dear [Recipient Name],

Is your current home still serving your lifestyle, or is it starting to feel like more work than it's worth?

Many homeowners eventually reach a point where "right-sizing"-moving into a home that better fits their current needs-becomes a priority. Whether you are looking to reduce maintenance, lower monthly expenses, or find a layout that offers better accessibility, the transition is about gaining more freedom, not just less space.

I am reaching out to offer you a complimentary **Right-Sizing Consultation**. During this brief meeting, we can discuss:

- The current market value of your property.
- Strategies for decluttering and preparing your home for sale.
- Exploring local housing options that align with your future goals.
- Financial timelines for a seamless transition from your old home to your new one.

There is no obligation to list your home. My goal is simply to provide you with the information you need to make an informed decision about your next chapter.

If you would like to schedule a time to chat, please call me at [Phone Number] or reply to this email.

Best regards,
