Dear [Client Name],

Happy Home Anniversary! I can't believe it has already been a year since you closed on your very first home. I hope the past twelve months have been filled with great memories and that you are settling into the neighborhood nicely.

Helping first-time homebuyers navigate the journey to homeownership is the most rewarding part of my job. Because you have been through the process, you know how important it is to have a trusted advisor by your side.

If you have any friends, family members, or coworkers who are thinking about buying their first home, please feel free to pass along my contact information. I would love to provide them with the same dedicated service I gave to you.

Thank you for your continued trust. I wish you many more happy years in your home!

Best regards,
