Dear [Attorney Name],

My name is [Your Name] and I am a Real Estate Broker with [Your Brokerage] specializing in [Your Specialty, e.g., residential sales/probate listings] in the [City/Area] area.

In my practice, I frequently work with clients who are navigating significant life transitions. Many of these clients require professional estate planning, trust administration, or probate assistance. Given your reputation for excellence in estate law, I would like to explore a professional referral relationship with your firm.

I am looking for a trusted attorney to whom I can confidently refer my clients. Likewise, if your clients ever require valuation services, market analysis, or assistance in liquidating real estate assets held within a trust or estate, I would welcome the opportunity to offer my expertise.

I have attached my digital business card and a brief overview of my services. Would you be open to a brief introductory call or a coffee meeting next week to discuss how we might provide mutual value to our clients?

I look forward to hearing from you.

Sincerely,
