

Subject: Helping your clients with their next chapter

Dear [Name of Professional/Partner],

I am reaching out to you because we share a common goal: providing exceptional service to seniors in our community who are navigating significant life transitions.

As a specialist in senior "right-sizing," I help homeowners transition from larger family houses into smaller, more manageable living situations. My services go beyond a standard real estate transaction; I provide comprehensive support including decluttering assistance, estate sale coordination, and finding homes that meet specific accessibility needs.

If you have clients or members who are feeling overwhelmed by the maintenance of their current home or are considering a move to a senior living community, I would value the opportunity to be a resource for them.

I would love to buy you a coffee sometime next week to discuss how my services can complement the work you do and how we can best support our local seniors together.

Sincerely,
