

Subject: Partnership Opportunity: Corporate Relocation Services - [Your Company Name]

Dear [Partner Name/Company Name],

I am writing to you on behalf of [Your Company Name]. We are a premier moving and logistics provider based in [Your City/State], specializing in corporate employee relocations.

We are currently looking to expand our network of trusted out-of-state partners to assist with high-volume corporate moves originating from or heading to your region. Given your reputation for excellence in [Partner's City/State], we believe a formal referral partnership could be mutually beneficial.

Our goal is to create a seamless "origin-to-destination" experience for our corporate clients. We are interested in discussing a reciprocal arrangement where we provide:

- Preferred referral status for moves entering your service area.
- Coordinated logistics for packing, loading, and long-haul transportation.
- Professional destination services for our executive-level clients.

We prioritize partners who maintain high safety ratings and exceptional customer service standards. If you are open to discussing how we can work together to handle out-of-state corporate volume, please let me know your availability for a brief introductory call.

I look forward to the possibility of collaborating with [Partner Company Name].

Best regards,
