

Subject: Great seeing you! / Quick question

Dear [Client Name],

It was such a pleasure seeing you at your housewarming celebration last [Day of week]. Your new home looks incredible, and it was wonderful to see how you have settled in and made the space your own.

I truly enjoyed working with you to find this home. My business relies heavily on word-of-mouth from clients I've enjoyed working with, like yourself.

If you have any friends, family, or colleagues who are considering buying or selling a home, would you mind passing along my contact information? I would love to provide them with the same level of service I strive to give all my clients.

Thank you again for choosing me as your Realtor. I look forward to staying in touch!

Best regards,
