

Subject: A Holiday Note and a Small Favor

Dear [Client Name],

With the holiday season upon us, I wanted to take a moment to reach out and wish you and your family a wonderful time filled with joy and relaxation. It has been a pleasure working with you this year.

During this time of year, many people begin thinking about their goals for the new year-which often includes finding a new home or selling their current one. As a real estate professional, my goal is to play "matchmaker" and connect people with their perfect property or the right buyer.

If you have any friends, family members, or colleagues who are considering a move in [Year], I would be honored if you shared my contact information with them. I promise to provide them with the same dedicated service and expertise that I strive to provide to all my clients.

Thank you for your continued support and for being a part of my professional community. I hope you have a fantastic holiday season and a Happy New Year!

Warmest regards,
