

Dear [Former Client Name],

I hope you are doing well and enjoying your home. As the spring season approaches, the real estate market is beginning to heat up with increased activity and new opportunities.

Because you have successfully navigated the selling process with me before, you know the value of timing and accurate market data. I am currently reaching out to my past clients to see if any friends, family members, or colleagues are considering a move this year.

If you know someone who is curious about the current value of their home or needs a professional **Spring Market Evaluation**, I would be honored to assist them. My goal is to provide them with the same high level of service and expertise that I provided to you.

Please feel free to pass along my contact information or reply to this email with their details, and I will reach out to them directly.

Thank you for your continued trust and support.

Best regards,
