Subject: Professional Real Estate Services for Divorce Settlements

Dear [Attorney Name],

I am writing to introduce myself as a real estate professional specializing in the sale of marital assets. I understand the complexities involved in liquidating property during divorce proceedings and the need for a neutral, efficient third party to manage these transactions.

My goal is to provide your clients with a seamless experience that prioritizes clear communication, accurate valuations, and conflict resolution during the listing and sale process. I am equipped to handle high-stress situations and ensure that court-ordered timelines are strictly followed.

I would appreciate the opportunity to be added to your referral list for clients requiring residential real estate services. I have attached my professional bio and a summary of my recent sales for your review.

I am available for a brief meeting or phone call to discuss how my services can support your practice and benefit your clients.

Sincerely,
