Subject: We won! / Thinking of you

Dear [Client Name],

Congratulations again on winning the bidding war for your dream home! In today's competitive market, securing that property was a huge victory, and I am so happy I could help you cross the finish line.

I truly enjoyed working with you. Much of my business comes from word-of-mouth referrals from clients like you. If you have any friends, family members, or colleagues who are looking to buy or sell a home-and who might need a strategy to win their own bidding war-would you be willing to pass along my contact information?

I would love to provide them with the same level of dedication and success that we achieved together.

Thank you for your trust and support. Enjoy your new home!

Best regards,
