

Dear [Recipient Name],

As a fellow Veteran, I know that our community is built on trust, shared values, and looking out for one another. I am reaching out today because I am dedicated to serving those who have served our country by helping them navigate the complexities of the real estate market.

Whether it is maximizing VA Loan benefits, understanding the unique needs of a PCS move, or finding the perfect "forever home" after retirement, I take great pride in providing the specialized military support our brothers and sisters in arms deserve.

If you know a fellow Veteran, active-duty service member, or military family who is considering buying or selling a home, I would be honored if you shared my contact information with them. You can trust that I will treat them with the same integrity and loyalty that we learned in the service.

Thank you for your continued friendship and for your service.

Best regards,
