

Subject: Congratulations on your new home, [Client Name]!

Dear [Client Name],

Congratulations again on closing on your very first home! It was a true pleasure guiding you through this milestone and helping you navigate the journey to homeownership.

As you know, buying a first home can be an overwhelming process. Many people starting their search feel the same way you did. Because of this, I love sharing stories from first-time buyers to help show others that their dream is possible.

Would you be willing to write a brief testimonial about your experience? Potential clients find it incredibly helpful to hear from someone who has recently been in their shoes.

If you have a moment, I would love for you to share your thoughts on:

- What was your biggest concern as a first-time buyer?
- How did I help you overcome that challenge?
- What was your favorite part of working together?
