RE: Review Request for First Home Purchase Loan Application

Dear [Lender Name],

I am writing to formally request a review of my financial profile and eligibility for a first-time homebuyer mortgage. As I am planning to purchase my first home, I would like to understand my borrowing capacity and the specific loan programs available to me.

Attached to this letter, please find the following documents for your review:

- Proof of income (Recent pay stubs and W-2 forms)
- Bank statements for the last three months
- Tax returns for the past two years
- A summary of my current assets and outstanding debts

Specifically, I am interested in learning about:

- The maximum loan amount I qualify for
- Current interest rates for first-time buyers
- Information on down payment assistance programs
- An estimate of closing costs

Please let me know if you require any additional documentation or if we can schedule a time to discuss my options in detail. I look forward to hearing from you soon.

Sincerely,

[Your Signature]
