

Subject: Welcome home! (And a quick favor?)

Dear [Client Name],

Congratulations again on your move to [City/State]! I hope you are settling into your new home and enjoying your new neighborhood.

Relocating from out-of-state involves so many moving parts, and I am honored that you chose me to help navigate the process from a distance. My goal was to make your transition to [Area Name] as seamless and stress-free as possible.

I am writing to ask if you would be willing to share a brief testimonial about your experience. Many out-of-state buyers feel anxious about buying a home from afar, and hearing about your journey could help them feel much more confident.

If you have a moment, could you please click the link below to leave a review?

Specifically, you might mention:

- How we handled virtual tours or remote communication.
- My knowledge of the local [Area Name] market.
- How the closing process went from a different state.

Thank you for your trust and your business. Please don't hesitate to reach out if you need any local recommendations as you get settled!

Best regards,
