

Dear [Client Name],

Congratulations on your successful move to [State]! I hope you are settling into your new home and enjoying your new community.

As you know, relocating from out of state involves many moving parts and unique challenges. It was a pleasure helping you navigate this transition and ensuring your cross-country move went as smoothly as possible.

I am writing to ask if you would be willing to share a brief testimonial about your experience working with me. Potential clients who are planning a similar state-to-state move often find it reassuring to hear from someone who has successfully completed the journey.

Specifically, if you could mention:

- How I helped manage the distance during the search process.
- My communication regarding local market conditions in your new state.
- The ease of the remote closing or relocation logistics.
