Dear [Client Name],

Congratulations again on your successful relocation to [New City/State]! I know that moving across a long distance presents unique challenges, and it was a pleasure helping you navigate the process of finding your new home from afar.

I am writing to ask if you would be willing to share your experience by providing a brief testimonial. Client feedback is incredibly valuable, especially for other families who are planning a distant relocation and may feel overwhelmed by the logistics of buying a home in an unfamiliar area.

If you could spare a few minutes, I would love to hear your thoughts on:

- How the remote home-buying process worked for you.
- The communication and support you received during the transition.
- Your overall satisfaction with your new home and neighborhood.

You can send your testimonial via email, or if it is easier, you can post it directly to [Link to Google/Zillow/Website].

Thank you for trusting me with such a significant move. I hope you are settling in well and enjoying your new community!

Best regards,
