Dear [Buyer Name],

Welcome to your new home! Now that you have had some time to settle in after your move to [State/City], I wanted to reach out and see how you are enjoying your new surroundings.

As an out-of-state buyer, your transition involves more steps than a local move. I am committed to providing the best possible service for clients relocating from afar, and I would value your feedback on your experience. Knowing what went well and where I could have provided more support during your transition would be incredibly helpful.

If you have a few moments, could you please share your thoughts on:

- The virtual tour and remote viewing process.
- Communication during the closing process from a distance.
- The resources provided to help you learn about your new neighborhood.

You can simply reply to this email or click the link below to leave a brief review:
