

Dear [Neighbor's Name],

Happy anniversary! I can't believe it has already been a year since you moved into the neighborhood. It has been a pleasure having you as a neighbor, and I hope you have enjoyed your first year in your home.

As I continue to help others find their perfect place in this community, I was wondering if you would be willing to share a brief testimonial about your experience. Whether it is a note about the neighborhood, the moving process, or our work together, your feedback would mean a lot to me.

If you are open to it, could you please reply with a few sentences or click the link below to leave a review?
