Dear [Client Name],

Happy Home Anniversary! It has officially been one year since you closed on your home at [Property Address], and I wanted to reach out to see how your first year of homeownership has been.

I hope you have enjoyed making the space your own and creating new memories. This first year is often a big transition, and I would love to hear about your experience or if there is anything regarding your home's value or the local market that you are curious about.

My goal is to provide excellent service to all my clients, and your feedback is incredibly valuable to me. If you have a moment, would you mind sharing a brief review of your experience working with me? You can post your thoughts here: [Link to Review Site].

Thank you for trusting me with such an important milestone. Please know that I am always here to answer any real estate questions you may have or to assist any friends or family members looking to make a move.

Wishing you many more happy years in your home!

Best regards,
