Dear [Client Name],

Congratulations again on the successful closing of your short sale and your official "Fresh Start." I am so pleased that we were able to navigate the process together and reach a resolution that allows you to move forward without the burden of your previous mortgage.

My goal is to help homeowners understand that a short sale is not just a transaction, but a way to regain financial freedom. Because many people are hesitant or nervous about this process, hearing about your personal experience would be incredibly helpful to others in similar situations.

Would you be willing to provide a brief testimonial regarding our work together? Specifically, I would love for you to mention:

- How you felt before we started the process versus how you feel now.
- Your experience with the communication and support provided by our team.
- The relief of completing the "Fresh Start" process.

You can simply reply to this email with your thoughts, or I can provide a link to our [Google/Zillow/Yelp] profile if you prefer to post it there.

Thank you for trusting me during this transition. I wish you nothing but the best in your new chapter.

Sincerely,
