

Subject: Brief favor / Video testimonial for LinkedIn?

Hi [Client Name],

It was a pleasure working with you on the [Property Name/Project] deal. I am so glad we were able to achieve [Specific Result/Closing].

I am currently updating my LinkedIn profile to showcase recent success stories. Would you be open to recording a 30-second video testimonial regarding your experience working with me?

If you are interested, we could film it during our next meeting, or I can send you a quick link to record it on your phone. I would love to highlight:

- The challenge you were facing before we started.
- How our team handled the process.
- The final outcome of the transaction.

I'm happy to tag you and your firm in the post to provide some extra exposure for your brand as well.

Please let me know if you'd be willing to help out!

Best regards,
