

Subject: A quick favor regarding your recent move?

Dear [Client Name],

It was such a pleasure helping you transition to your new home. I know that downsizing can be an emotional and logistical challenge, and I am so glad we were able to get your property sold successfully.

I am reaching out to ask if you would be willing to share your experience in a brief video testimonial. Many people feeling overwhelmed by the downsizing process look for success stories like yours to help them take that first step.

**What to include:**

- A quick mention of your old home and your new destination.
- One thing you liked about working with me.
- How you feel now that the move is finished.

**How to film it:**

- A 30-60 second clip on your smartphone is perfect.
- Vertical (portrait) mode works best for social media.
- Please ensure there is good lighting on your face.

You can simply text the video to me at [Phone Number] or reply to this email with the file attached. With your permission, I would love to share this on my social media pages to encourage others in a similar position.

Thank you for trusting me with this move!

Best regards,
