

Subject: A quick favor? (And a huge thank you!)

Hi [Client Name],

Congratulations again on the quick sale of [Property Address]! It was such a pleasure working with you to get your home sold so efficiently.

I am currently putting together some short video clips (Reels/TikToks) to show how my marketing strategy helps sellers get fast results. Since we had such a successful outcome, would you be willing to record a very short video testimonial for me?

It doesn't need to be fancy! A simple 30-second selfie video on your phone is perfect. You could mention:

- How quickly your home sold.
- What the experience was like working with me.
- If you would recommend my services to friends or family.

If you're open to it, you can just text the video to me at [Phone Number] or email it back to this address.

Thank you for your support and for trusting me with your home sale!

Best regards,
