

Subject: Feedback on our partnership / Sharing our success

Dear [Partner Name],

I have truly valued the opportunity to work alongside you to help our mutual clients achieve their homeownership goals over the past [Time Period]. Our partnership is very important to me, and I take great pride in the seamless experience we provide together.

I am currently looking to update my website and marketing materials with testimonials from my most trusted professional partners. Would you be willing to provide a brief 2-3 sentence testimonial regarding your experience working with me?

Specifically, if you could mention aspects such as:

- Our communication throughout the loan process.
- My reliability in meeting closing deadlines.
- The feedback you hear from the clients we share.

I would be more than happy to provide a reciprocal testimonial for your business as well, as I am always glad to recommend your services to my clients.

Thank you for your continued trust and for being such a great partner.

Best regards,
