

Dear [Client Name],

Congratulations again on the purchase of your new home at [Property Address]! I am so thrilled that we were able to find your "dream home" through an off-market opportunity before it ever hit the general market.

As you know, finding a home in today's competitive environment requires a unique approach. Because many buyers are looking for off-market access, I was wondering if you would be willing to share a brief testimonial about your experience working with me.

Specifically, if you could mention how I helped you navigate the off-market process and the value of having access to exclusive listings, it would be incredibly helpful for my future clients.

Would you mind taking two minutes to leave a review at the link below?
