

Subject: We would love to hear your feedback, [Landlord Name]

Dear [Landlord Name],

Now that our lease for [Property Address] has concluded, we wanted to take a moment to thank you for being a great landlord. We truly enjoyed our time living at the property.

We are currently looking to build our rental history for future applications, and we would greatly appreciate it if you could provide a brief testimonial or reference regarding our time as tenants.

If you are willing, could you please comment on things such as:

- Our consistency in paying rent on time.
- How we maintained the condition of the property.
- Our communication and follow-through on lease terms.

We have drafted a short sentence below that you are welcome to use or edit to save you time:

*"[Tenant Names] were excellent tenants from [Start Date] to [End Date]. They consistently paid rent on time, kept the property in great condition, and were easy to communicate with. I highly recommend them to any future landlord."*

Would you be comfortable with us sharing your feedback with future property managers, or perhaps posting it to a professional profile like LinkedIn?

Thank you again for everything. We wish you the best with your future tenants.

Best regards,
