

Dear [Client Name],

It was truly an honor to assist you and your family with your recent PCS move and the sale of your home at [Property Address]. I understand how demanding military relocations can be, and I hope I was able to make this transition smoother for you.

I am writing to ask if you would be willing to share a brief testimonial regarding your experience working with me. As a real estate professional, feedback from fellow service members is incredibly valuable, as it helps other military families find a relocation specialist they can trust.

If you have a few moments, could you please comment on:

- How I handled the specific timelines of your PCS.
- My communication throughout the selling process.
- Whether you would recommend my services to other military members.
