

Subject: Congratulations on the sale of [Property Address]

Dear [Client Name],

It was a pleasure working with you to finally get [Property Address] sold. I know that after the initial listing period, the process of relisting can feel uncertain, and I am so glad we were able to achieve a successful outcome together.

My goal is always to provide a strategic approach for properties that need a fresh perspective. I would greatly appreciate it if you could share a brief testimonial regarding your experience working with me during this relisting process.

Specifically, if you could mention how you felt about our new marketing strategy or the communication throughout the sale, it would be incredibly helpful for my future clients who may be in a similar situation.
