Dear [Client Name],

It was a pleasure working with you to finally get your home at [Property Address] sold. I know that after your previous experience on the market, seeing that "Sold" sign was a significant relief.

I am reaching out because many homeowners who find themselves with an expired listing feel frustrated and uncertain about their next steps. Your story could help them understand that with the right strategy and partnership, a successful sale is still possible.

Would you be willing to provide a brief testimonial regarding your experience working with me? Specifically, I would love for you to mention:

- What made you decide to hire me after your listing had previously expired?
- How my approach or communication differed from your past experience?
- Your thoughts on the final result and the closing process?

You can simply reply to this email with your thoughts, or I can provide a link to my [Google/Zillow/Website] profile if that is more convenient for you.

Thank you again for trusting me with the sale of your home. I wish you all the best in your new chapter.

Sincerely,
