Dear [Client Name],

It was a pleasure working with you to finally get your property at [Property Address] sold. I know that after your previous listing expired, the process felt uncertain, and I am so glad we were able to achieve the successful outcome you deserved.

I am writing to ask if you would be willing to share your experience by providing a brief testimonial. Many homeowners find themselves in the same position you were in-frustrated by an expired listing-and your story could help them understand how the right strategy makes all the difference.

If you have a few moments, I would appreciate it if you could answer the following:

- What were your main concerns after your home didn't sell the first time?
- How did our approach differ from your previous experience?
- Would you recommend my services to others in a similar situation?

You can simply reply to this email or leave a review at the link below:

Thank you for your trust and for the opportunity to serve as your Realtor. I wish you all the best in your next chapter.

Best regards,
