

Dear [Client Name],

I am so happy that we were able to successfully sell your property at [Property Address]. After the challenges of the initial listing period, it was a pleasure to step in, reset the strategy, and finally cross the finish line together.

I am writing to ask if you would be willing to share your experience by providing a brief testimonial. Many homeowners find themselves in a similar "expired listing" situation, and hearing how we turned things around could give them the confidence they need to try again.

If you have a moment, could you please comment on:

- What made you decide to list with me after the first attempt didn't work?
- How our marketing or approach differed this time?
- Your overall satisfaction with the final result.

You can send your reply directly to this email or post it on my profile here: [Link to Google/Zillow/Website].

Thank you for your trust and for the opportunity to represent you. I wish you all the best in your next chapter!

Best regards,
