Dear [Investor Name],

I hope this letter finds you well.

It has been a pleasure assisting you with your recent acquisition of [Property Address/Project Name]. As an international investor purchasing sight-unseen, I understand that trust and clear communication are the most important factors in your decision-making process.

I am writing to ask if you would be willing to provide a brief testimonial regarding your experience. Many of my international clients feel hesitant about investing from abroad, and hearing about your journey would provide them with great confidence.

Specifically, if you could touch upon:

- The ease of the remote viewing and due diligence process.
- The transparency of our communication across time zones.
- Your overall satisfaction with the asset and the closing process.

You can simply reply to this email with your thoughts, or I can provide a link to our preferred review platform.

Thank you for your continued trust and for being a valued client. I look forward to assisting you with your next international venture.

Best regards,
