

Subject: Congratulations! | Your thoughts on your new home?

Dear [Client Name],

Congratulations again on the purchase of your new home at [Property Address]! It was a pleasure working with you throughout this unique process.

Buying a home "sight-unseen" is a major decision that requires a high level of trust. Since you relied heavily on our virtual tours and digital walkthroughs to make your choice, I would love to hear about your experience.

Would you be willing to provide a brief testimonial regarding our virtual buying process? Potential clients are often nervous about buying from a distance, and your feedback could help them feel more confident.

If you have a moment, could you please answer these three questions:

- How accurate was the virtual tour compared to the home in person?
- How did you feel about the communication during the remote process?
- Would you recommend our virtual buying services to others?

Thank you for your time and for trusting me with your home search!

Best regards,
