

Subject: Welcome home! / Quick favor regarding your relocation

Dear [Client Name],

Congratulations again on your move to [City/Neighborhood]! I hope you are settling into your new home and enjoying the start of this exciting new chapter.

Purchasing a property "sight-unseen" is a major leap of faith, and I am so grateful you trusted me to be your eyes and ears on the ground throughout this relocation process. My goal was to ensure you felt confident in the property despite the distance.

Would you be willing to share a brief testimonial about your experience? Many people relocating are nervous about buying a home they haven't physically visited, and hearing about your journey could help put their minds at ease.

Specifically, if you could mention:

- How the virtual tours or video walkthroughs helped you.
- How I handled the local details while you were still in [Previous Location].
- The moment you finally walked through the front door.
