

Subject: Congratulations on your new property - [Property Address]

Dear [Client Name],

It was a pleasure representing you in the acquisition of [Property Address]. Purchasing a luxury residence sight-unseen requires an immense amount of trust, and I am honored that you chose me to be your eyes and ears throughout this process.

As I strive to provide the highest level of service to my international and out-of-state clientele, I would greatly appreciate it if you could share a few words regarding your experience. Prospective buyers are often hesitant to purchase without a physical walkthrough; your perspective on how we navigated the virtual tours, inspections, and remote closing would be incredibly valuable.

Could you please provide a brief testimonial regarding:

- The accuracy of the digital representation and video tours provided.
- The level of communication and transparency during the negotiation.
- Your overall confidence in purchasing a high-value asset remotely.

Thank you for your business and your trust. I look forward to hearing how you are enjoying the new property.

Best regards,
